AMENDMENT

TECHNOLOGY CENTER HC700

This is in response to the Office Action dated February 27, 2002, in which the Examiner:

a) rejected Claims 9, 10 and 13 as non-statutory subject matter because "code" in "platform code" i.e., software or a computer program, is allegedly descriptive material *per se* because it is not capable of causing functional change in the computer;

b) Claims 9, 10 and 13 under §112 as not being because the platform code allegedly cannot execute or separate anything – a computer must be involved performing
